

# Support Samuel's Ministry Trip to ATD Kansas City!

Dear friends and family,

I pray that you are doing well in the LORD!  
During the week of May 9th, 2022, I will be flying out to Kansas City to participate in Awaken the Dawn KC. It is a gigantic festival where people are coming from all across America to worship God in big tents!

I will be going with a group of students from my School of Worship at MorningStar here in South Carolina, and with other MorningStar worship leaders and prayer leaders as well! And, in teams, we will be leading worship along with other teams from various states to have 24/7 on-going worship for the entire time of the festival!

It is an honor to participate in this national event, and I look forward to all that God will do at ATD-KC! Please keep me in your prayers, and, if you sense the Lord's leading, you can support me financially on this trip!

The cost of the trip includes airfare, local transportation, food, and lodging, which comes to over \$1,500! This year, the cost of everything has gone up dramatically, so if you are able to help, I'd really appreciate it! Thank you so much, and may God bless you in this season!
